

We would like to announce Babes with Bullets 3-Gun Challenge is back! Last year's match was a resounding success, in large part due to the support received by companies like yours. The match will be held at the home range of Kay & Jerry Miculek, at Shootout Lane Range in Princeton, LA on May 25-26, 2019. Since 2004, we've been running action shooting camps, now we are taking on this new 3-Gun event for the second year and we'd appreciate your support.

We anticipate over 200 shooters and are working on a balance of two domains with 115 women and 115 men to attend, with equal prize tables for both domains. Our Presenting Sponsor this year are Hoppe's and Bushnell and we've attached sponsorship information for the other levels of Platinum down to Bronze or Contributor. Over the last 15 years there hasn't been another traveling firearms academy that has worked as diligently as Babes with Bullets in bringing new shooters to the firearms industry. We hope we can count on your support to continue this effort in developing more 3-gun competitors!

All donations, no matter how small, will be deeply appreciated. Prize table is an awesome way to get your product in the hands of competitors new to the sport. You are on our list because some or all of us with BWB 3-Gun Team are familiar with your products and are very proud to showcase them! I hope to hear from you soon so we can start promoting your business through our social media outlets as soon as possible.

Thank you for your consideration!
